Location; Transferring

Players' preferences for Sectional Qualifying locations must be designated on the entry.

If a Sectional Qualifying location has more players than can be accommodated, some players may be transferred to another location and the date for qualifying may be different than the original requested date. Transfer will be based on the date of receipt of entry application. Transfers are final. No qualifying site is final until after entries close. Qualifying sites may be cancelled due to lack of participation. Transfer to another location is not permissible after entries close.

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and playing quality of the field.

A tie for the last qualifier's place or an alternate's place will be decided immediately by a hole-by-hole play-off.

Substitutions in order of qualifying scores will be allowed for qualifiers unable to compete in the Championship.

If a qualifying location cannot fill its qualifiers' places for the next stage, or if an exempt player withdraws, the place made available will be reallocated to another location. A realignment schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

Acceptance of Places; Notice of Withdrawal

On the day of qualifying, every qualifier should notify the Official in Charge whether she will play in the Championship.

If a qualifier or an exempt player withdraws, she must notify the USGA (908-234-2300) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competition.
